Ref:-G.O.No.Ms.39 P.H., dated 4-1-34 sanctioning arrear subsidy to rural midwife at Kunjal.

Government in their order referred to above have sanctioned the payment of arrear subsidy due to midwife in the rural dispensary at Kunjal in South Kanara District for the period from January to April 33. The subsidy bill of the midwife for the period referred to above will be passed for payment by the District Medical Officer on receipt of necessary authorization from the Accountant-General, Madras. As the midwife has not yet been paid her subsidy up to April 33 she could not furnish the necessary acquittance e..

consequ ent..

consequently the bills for subsidy due to the midwife for the succeeding months could not be presented. The claim up to July 33 has now become time barred.

In these circumstances I have the honour to request that Government will kindly accord necessary sanction at a very early date for the payment of arrear subsidy due to midwife in question from May to September 33, so that the amount ~~to be~~ may be disbursed to the midwife before 15-3-1934 along with her subsidy due for February 1934.

I have the honour to be,

Sir,

Your most obedient servant,

P. K. Warrier

Personal Assistant

for Surgeon-General with the Government of Madras.

(2) In G. O No 39 P.H, dy 4. 1. 1934, the Govt sanctioned the payment of the subsidy due to the midwife in the rural dispensary at Kunjal in the South Kanara Dt for the period from January to April 1933. The S. G. reports that the subsidy bill of the midwife for the period referred to above will be passed for payment by the D. M. O South Kanara on receipt of necessary authorisation from the Accountant-general. He observes that as the midwife has not yet been paid her subsidy upto April 1933, she could not furnish the necessary acquittance and draw the subsidy due to her for the succeeding months. He also reports that the claim up to July 1933 has become time-barred. In the circumstances the S.G. requests that the subsidy due to the midwife from May to Sept 1933, may be sanctioned.

2. It may be pointed out in this

connection that the subsidy for July 1933 has not become time-barred as there is time till 15.2.34 but it is not possible to draw the subsidy before 15.2.34 as this is Secretary time for doing so. So the subsidy for July may be sanctioned. As for August 1933, The last date for August 1933 for drawing the subsidy is 15.3.34. By the time orders issue on this file, and further steps are taken for drawing the subsidy it August may become time barred. It is therefore submitted that the subsidy for July & August may be sanctioned. There is no necessity to sanction the subsidy for September 1933, as the last date for drawing the subsidy for that month is 15.4.1934. The file may be returned accordingly.

3. A draft order is submitted for approval which may issue after acceptance by Finance.
